Come join our group of bicycle enthusiasts who enjoy cycling as a family recreational event, you will meet new friends with similar interest and get great exercise.

Although our main activities will run from April through September, we will continue to meet in the "off season" months to discuss issues like preventive maintenance on your bicycle, what clothes to wear, how to operate your bicycle safely and any other bicycle issues that might be of interest to our membership.

We intend to draw on the experience of some of our diverse group of riders and inviting guest speakers to attend our monthly meetings.

Our intention is to create an atmosphere where families can share their bicycling concerns, anecdotes and ideas.

Our club includes people that ride mountain, road, and cross training bicycles; we even had some trike and tandem riders!

**SJBC was established in 1997.**
